CONGRATS TO DECEMBER'S STUDENT-ATHLETES OF THE MONTH

Coaches' Words

Elise always comes to practice ready to put in 110%. She asks questions when she needs clarification and picks up on new basing skills quickly! Her hard work and dedication to her team does not go unnoticed! Great effort, Elise!	Kamryn puts forth leadership and great effort to help our team succeed. Kamryn is averaging 10 points and 11 rebounds per game. Keep working hard, Kamryn!	Dominic is within seconds of claiming two different school records. He is also currently the #1 sectional seed in the 55 hurdles. We're proud of you, Dominic!	Macoy had a triple-double against Eugenio. He's also had several nights of great performances with double digit assists, steals, and points. Great job, Macoy!

My sincere apologies for the late nature of this celebration! We've had so many great student-athletes throughout the winter season! As we gear up for the spring season, we'll spend the upcoming weeks recognizing some of them!

Congratulations, Titans!
