## FamilyID Registration for Winter Sports - REMINDER

As we do for each athletic season, student-athletes are required to be registered on FamilyID. FamilyID is an online registration platform that houses student-athletes' medical information and agreements to policies.

[CLICK HERE](#) for a step-by-step tutorial guiding you through the process of creating an account and registering. Click the FamilyID logo to register now.

\* **Remember:** student-athletes are unable to participate in a practice/contest until they are registered in FamilyID AND approved by their school nurse.

Reach out to the school nurse or Mr. Delles with any questions!

## REMINDer

Don't wait to sign up for Remind! Each coach has a remind group for their team, and this is the primary communication platform for coaches to student-athletes and parents.

Click the Remind logo to go to the sign-up instructions. Make sure you're clicking on the right set of instructions for the appropriate team.

Reach out to a coach or Mr. Delles with any questions.
