### **Academic Eligibility Form**

Academic eligibility for students participating in extracurricular or athletic activities will be determined approximately every two weeks. A student will be deemed academically ineligible if he/she receives failing grades (64% or less) in two or more subjects. Once declared ineligible, students will not be permitted to participate in or attend any contests, competitions or performances until the Pass/Fail Sheet is signed and submitted to the appropriate supervisor which are listed below. The Pass/Fail Sheet will be available in the Middle School Office and will be the sole responsibility of the student. Each teacher must report Pass/Fail and initial the note prior to submittal.

The student will submit completed Pass/Fail Sheets to:

**Jonathan Mastin – Athletics**

**Scott Hoffman – Instrumental Music**

**Laura White – Vocal Music, Fall Drama, Spring Musical**

**School Counselor – All other activities not included above**

The completed Pass/Fail Sheet will allow the supervisor to reinstate rights and privileges to that fully eligible student immediately upon receipt. Once the completed Pass/Fail Sheet is signed by the supervisor, the student will forward it to his/her coach/advisor. The advisor/coach will forward the completed Pass/Fail Sheet to the respective Guidance Office to be held in the student's academic folder for future reference. This plan will allow the student to be fully reinstated as quickly as possible, but maintains responsibility for that process with the student.

Any ineligible student must attend practices/meetings but may not play in games or participate in performances. (Please note that currently, academically ineligible middle school students may not attend school social functions such as dances, sporting events, Battle of the Bands, school plays, etc.) The ineligibility will continue until the student successfully completes the Pass/Fail Sheet process or becomes eligible with the next round of eligibility reporting.
