

BATTLEFIELD HIGH SCHOOL

STUDENT-ATHLETE CREED

I am a Battlefield Bobcat Student-Athlete;
I am on time to class and seek excellence in my academic work;
I show respect to my teachers, administrators, and school staff and am a positive role
model for my teammates, future players, family, school, and community;
I do the right thing even when no one is watching as I am a representative of my
family, my school, my team, and myself;
I will control the things I can control: effort, hustle, positive attitude, and mental
toughness.

I am coachable and committed to improving myself daily;
I am a great teammate and leader and work hard to unify my team;
I respect officials, coaches, teammates, opposing teams, and the game;
I bring positive energy and effort to every workout, practice, and game.

I take care of my body, being mindful of what I'm putting in it and getting proper
rest while maintaining a healthy lifestyle;
I am on time to practices, workouts, and games and am prepared to give my best;
I stay in the moment and focus on working hard to improve in each moment.

I take ownership of my successes and failures, learning lessons in everything that
happens;
I seek to learn and grow in all that I do, knowing I control my development;
I am not defined by my success and failures viewing them both as temporary and
valuable learning experiences on my journey of self-discovery and growth;
I always seek to give credit where credit is due, accepting that many people play a
role in my success.

I persevere through adversity and learn and grow from it;
I am honest with myself and others;
I do what I say I'm going to do and finish what I start;
I serve my fellow teammates, coaches, and community leaving places better than I
find them.
I am a Battlefield Bobcat Student-Athlete.
