

Brendan Campagna

Brendan grew up right here in Colorado Springs.

He attended James Irwin High School, where he faced

CSCS as a conference rival, competing in soccer, volleyball, and basketball. Brendan directed the intramural sports program at Oral Roberts University in Tulsa, OK for three years before moving back to the Springs in 2017. He still enjoys playing soccer at a competitive level through the amateur adult leagues in the city.

He has been coaching soccer since fall 2017. He began his coaching career here at CSCS, serving as the high school boys varsity assistant coach under Coach Rollins for two years and taking over as head coach in his third season. Brendan has also held coaching roles outside of CSCS, coaching the girls teams at both the high school and jr. high level at The Vanguard School.
