East Irondequoit Central School District announces the appointment of Shelly Collins as the new Varsity Softball Coach.

Collins, with a notable coaching career spanning over 30 years, as the Varsity Girls Softball Coach at Victor Central, brings a wealth of experience and accolades to the Lancers' softball program. Collins has cemented her name in Section V and New York State softball as a premier coach. A recent inductee into the 2023 New York State Softball Hall of Fame, Collins' remarkable track record of success is well documented. Recognized as the All-Greater Rochester Coach of the Decade in 2020 and a 14-time recipient of the Monroe County League Coach of the Year Award, Collins brings a winning spirit with 418 lifetime wins including the New York State Public High School Athletic Association Softball Championship in 2018 and the honor of being named New York State Softball Coach of the Year that same year.

"We are fortunate to have someone of Shelly Collins' qualifications and experience join our softball program. East Irondequoit is excited to have her lead our young women softball players and our program into the future." said East Irondequoit Athletic Director Kyle Vacanti

"I am grateful for this opportunity and excited to be joining the East Irondequoit Athletic Community. I can't wait to get started on this fun and rewarding journey, said Collins.

Sincerely,

Kyle Vacanti
