TENT AREA

Please be sure not to place them too close to the course or other teams. Social distancing guidelines need to be taken into account and all spectators are recommended to wear masks.

COURSE

Location: **Centralia Golf & Social Club Golf Course on Hwy 22 in Centralia, MO.** The course is marked with a solid white line and survey flags at each turn.

SCORING METHOD

The primary scoring method will be through Chip Timing. Big River Race Management uses disposable chips placed on the back of the bibs which DO NOT need to be returned. We only ask that all UNUSED bibs get returned to them, all athletes can keep what they wore for their respective race.

RESULTS

Results will be available live on the Big River Race Management during the meet (pending reliable internet connection), and will be uploaded to Athletic.net afterwards as well.
