

MHS Wrestling Individual Tournament
January 9, 2021
Entry Fee: \$175 (Payable to Marshall High School)

Welcome to the 47th Annual Marshall High School Invitational Wrestling Tournament. As in the past we expect this year's tournament to be as competitive as ever. We will use track wrestling program and be double elimination brackets unless the brackets consist of 4 or fewer. It will be round robin if that is the case. We will use four mats. Due to the number of participants, we will not allow spectators. **Track wrestling will do the seeding so there will not be a seeding meeting. We will medal top two in each weight class and will not have a team trophy.**
