Format: JV Wrestlers: We will use 4 man round robin brackets when possible. We will put each wrestler in one of the 14/12 official weight classes then match wrestlers by weight and experience. If there is more than 1 bracket at a weight they will be labeled 106A 106B 106C etc.

Varsity Girls: With the newness of the girls division we will try to use a 4 man round robin bracket when possible. We hope everyone is willing to be flexible for matchups to guarantee as many matches as possible.

Mats: 2 mats will be in use for JV and matches will be 2-1-1. These mats will be the two end mats. The center mat will be used for the Varsity Girls tournament and matches will be 2-2-2. If we are short of the 45 minute recovery time we will fill the mat with a jv bout to help move the tournament along. When the Varsity girls finish we will use all 3 mats for the remaining portion of the JV tournament.
