## DUAL SPORTS PARTICIPATION FORM

A student may participate in more than one sport per season under the following conditions:

- 1) The student must have a GPA of 3.33 with no grade below a C the previous semester.
- 2) A student going out for one sport may not, after the first week of practice, quit one sport and go out for the other sport.
- 3) Competition will always take priority over practice.
- 4) If contest conflict, district, state, and conference championship competition will take priority over regularly scheduled events.
- 5) A student must make every effort to make all practices in both sports if they do not conflict.
- 6) A student will declare his/her # 1 priority sport before either practice season starts. This will determine which sport he/she practices if they conflict and or in which contest he/she participates if the playing times conflict.
- 7) A student participating in both sports will still be expected to adhere to the transportation rules of the school.
- 8) The student must meet with both coaches before the season to work out any potential conflicts.

I \_\_\_\_\_ am declaring \_\_\_\_\_ as my primary sport for the \_\_\_\_\_ season and \_\_\_\_\_ as my secondary sport.
