FROM: Norine Gaskill, Marshall High School Tennis Coach

Hello,

The NCMC tournament will be played at 2 different sites in Marshall: the Marshall High School tennis courts (6) and the Indian Foothills Park (IFP) courts (6). 1-5 singles will be played at the high school. 6 singles and all doubles matches will be at IFP courts.

Coaches will meet at the high school courts at **8:00 am on Friday, May 3rd** for our seeding meeting. Please bring copies of your rosters for all teams and a can of balls for each entry into the tournament (9 cans total for a full team). There is no need to bring scorecards. In the event of adverse weather, the make-up date will be Saturday, May 4th. Main draw matches will be pro-10 no-ad scoring, back-draw matches will be pro-8 no-ad. Top of the draw will be black score cards. Please advise your players to report scores **immediately** so we can put matches on court asap.

Best,

Norine Gaskill
