

Teddy Bear Toss 2020 - NHS Service

This year NHS hosted our annual Teddy Bear Toss between the girls basketball games on February 28. Students who brought a stuffed animal to the game were given a \$1 discount on the price of admission; NHS members who attended the game wearing their NHS shirt and brought a stuffed animal earned a group service point. Participants whose stuffed animals landed nearest center court were awarded candy prizes. Four bags of stuffed animals were collected and will be donated to Womens and Childrens Hospital.
