## **REGISTRATION IS NOW OPEN FOR 2023-2024 WINTER ATHLETIC PROGRAMS!**

Mt. Ararat High School is excited to announce that we are now accepting registrations for 2022-2023 Winter sports activities! It is important that all interested student-athletes properly register ahead of time so that they can participate. All interested participants must complete this information in order to participate.

The Maine Principals' Association and Mt. Ararat High School has partnered with **rSchoolToday** to offer a comprehensive athletic data management program which includes formal data management, scheduling and website solutions. The Mt. Ararat High School Athletic Department is happy to have this all-inclusive system in order to have all of our important (and MPA required) information combined together into one online solution.

**rSchoolToday** has integrated a secure online registration platform that provides you with an easy, user-friendly way to register for our programs, and helps the Mt. Ararat High School Athletic Department be more administratively efficient and environmentally responsible. When you register through **rSchoolToday**, the system will keep track of all of your registration information in your individual family profile for future registrations.

### **A FEW NOTES/RECOMMENDATIONS BEFORE YOU ACCESS REGISTRATION**

Attached you will find instructions for how to properly register for a Winter sports program within the rSchoolToday system. Please follow the instructions **IN ORDER CAREFULLY**.

**The system works BEST if you register on a COMPUTER as opposed to a cell phone. If you do try to complete a registration on your cell phone and you have trouble, you are encouraged to use a computer instead.**

**PAST USERS** should simply log in with their username and password that they used last school year for registrations. If you have forgotten that information, there is a link for you to retrieve your login information.

**FOR NEW REGISTRANTS**, you will first need to create a Family Account in the system and then you can register individual students one-at-a-time for their chosen sport. **The Family Accounts need to be created and managed by a PARENT/GUARDIAN only!**

**YOU DO NOT NEED TO CLICK ON 'FAMILY MEMBER INFO' AND YOU DO NOT NEED A STUDENT ID# TO COMPLETE THE REGISTRATION. ONCE**

**YOU'VE CREATED YOUR ACCOUNT, CLICK THE 'REGISTER' BUTTON UNDER THE REGISTRATION HISTORY TAB**

Please take your time completing the registration as the information and questions within are very important. Be sure to answer all required questions and complete all required fields or else the system will not process appropriately.

After submitting your completed registration, please note the **HEAD COACH'S EMAIL ADDRESS FOR THE PROGRAM BEING REGISTERED FOR.** If you have any questions about the program or would like to introduce yourself, feel free to contact that coach directly. **There is also information regarding ImPACT Concussion Baseline Testing that all basketball, ice hockey & wrestling registrants need to be aware of.**

At any time, you may log in to your **rSchoolToday** Family Account to update information and to check on student-athlete registrations. Once registration has been completed the first time, all data will be stored in the rSchoolToday system and registering for subsequent programs will not require entry of ALL of this information again. You will only need to double check the information, provide any necessary changes to the information requested, and choose the applicable program for registration. SIMPLE AS THAT!

To view a completed registration, select the 'Registration' tab on the blue bar.

**ALL ATHLETES MUST BE REGISTERED BEFORE THE FIRST WINTER PRACTICES - NOV 6<sup>TH</sup> (GIRLS ICE HOCKEY) AND NOV 20<sup>TH</sup> (ALL OTHERS).**

If you need assistance with registration, please feel free to contact me as necessary.

Thank you and I look forward to seeing our Eagles in action this Winter!

This online registration program will allow you to upload a copy of your most recent physical exam document.

**Special Note for the 2020-2021 School Year:** If you are having trouble accessing your PCP for an updated physical examination in time for the start of the season, you can also submit a supplementary [Preparticipation Physical Evaluation Form](#) in lieu of the written proof of physical documentation. This documentation will be reviewed by the athletic trainer and/or the school nurse, with follow up consultation as necessary, before confirming authorization for participation in Mt.
