

Find, Purchase and View a Pay-Per-View subscription:

- Go to Trackwrestling.com
- Click Events in the top left.
- Click Search Events.
- Enter search details and click Search (CHSAA Girls Region 1)
- Click the name of the event.
- Log into the event as a viewer
- Click Hub in the top menu
- Click Video in the left menu
- Click the [Purchase] button
- Choose your purchase method
- Click the 'View Details' drop down to see what is included in the available single event Pay-Per-Views or Season Pass options
- Click Purchase on the option you would like
- Enter your payment details and click Continue
- Enter a unique passcode that you would like to use each time you watch (not something easy to guess like: wrestle123)
- Enter your credit card information and then click the [Pay] button
- Click the Watch Live button
- Click the [PAY-PER-VIEW SIGN IN] button
- Enter your passcode and then click the [Submit] button
- Click the mat number drop down to switch which stream you want watch and then click play

Please note that the Trackwrestling platform works best using the internet explorer Chrome.

Passcodes can only be used to view the stream on one device at a time. If it is shared or easy to guess you will continuously be kicked out of the stream. You can only watch one mat at a time

You can use Mat assignments from the left-hand menu and click on Mat schedule to view the Mat assignment display. (Green is on the mat, yellow is on deck, no color is in the hole) This can be opened in another tab to help watch for matches.

Click on Brackets from the left-hand menu and use the drop down arrow to find and view brackets.
