

2020 SCA FLAG FOOTBALL CAMP

"WHERE FAITH AND FOOTBALL COLLIDE"

Students entering grades 1-8

July 13-16: 10am -12pm; Super Bowl Sunday July 19, 3:00-4:30pm

SCA Youth Flag Football Objectives

Entering its third year, the goal of this league is to generate excitement for football in youth from SCA and all over the Metro Kansas City area and do it in an environment that will be a fun and exciting challenge. Experience doesn't matter; your child may have played for years or this may be their first-time trying football. Regardless, this league focuses on the fundamentals of football and gives each camper the opportunity to show their skills during competition, while working with the SCA staff and player coaches.

SCA Youth Flag Football Details

Each day, campers will work on both offensive and defensive individual techniques. Dress will be t-shirt, sweats or shorts, and bring both tennis shoes and cleats, if available. We will also have a time of devotion led by their player coaches that will focus on how we can incorporate our faith into our life as an athlete.

Parents are encouraged to come and watch any and all sessions. This is a great way to learn the game of football and become involved in the SCA Football Program. It is also a great way to witness to others by inviting friends and other teammates to come participate.

2020 Fall League through LS Football Association

Part of my mission as the Summit Christian Academy head football coach is to grow our feeder program for future players. We have partnered with the Lee's Summit Football Association to accomplish this goal. This league is a great opportunity for your child who is entering grades 1-6 to begin playing the sport of football at the youth level on either a flag or tackle team.

Students who have attended SCA during the 2019-2020 school year will be able to play together on the same team and begin to develop relationships with their teammates. I hope you consider joining a team this fall.

Their website is www.lsfootball.org and you still have time to sign up!! Below is a little bit about the league from their website. When you sign up, make sure to put SCA as the sending school.

***If you are interested in coaching one of these teams, please contact me as soon as possible.**

The Lee's Summit Football Association (LSFA) was formed to provide athletes in the City of Lee's Summit and / or the Lee's Summit R-7 School District an opportunity to learn and play flag and tackle football. Working in cooperation with USA Football and Lee's Summit Middle and High School coaches, we teach both our coaches and players the latest and safest techniques. Adoption of these techniques allows our athletes to play the game in the safest manner while it prepares them for future success at higher levels.

The Lee's Summit Football Association is run by an all volunteer board. Those volunteers are made up of dedicated coaches, parents, and leaders among the Lee's Summit community who give their time, energy, wisdom and passion to teaching young athletes the great game of football.
