Camp Philosophy

The Turner Ashby Football camp was created to bring young football players together from our area to develop and improve fundamental football skills. The camp will emphasize proper blocking, tackling, throwing, catching and running skills in a fun learning environment. Instruction in basic offensive and defensive terminology will occur in team periods each day. A special emphasis on the passing game will take place each evening with the age appropriate 7 on 7 passing games. Each camper will have the opportunity to learn and improve special team skills such as punting, long snapping, place kicking, and kick returning. It is our goal that every camper who attends the TA Football Camp leaves a better Football Player.
