

2023 John Lingenfelter MENTOR OF THE YEAR AWARD

This award is given annually to a current or former Madison Coach or Trainer for demonstrated, exceptional guidance and understanding that helps Warhawk athletes transfer the virtues they learned in sports -- courage, persistence, grace under pressure, class in winning or losing, commitment to the team and the benefits of hard work -- to their lives outside the athletic arena.

Nominations for the award, which come from any member of the Madison community, must be submitted in writing to the Vice President of the Madison Athletic Booster Club no later than May 19. The nomination must include a short essay providing the reasons the nominee meets the above criteria.

Nominations are evaluated and the award winner selected by a committee of the Athletic Booster Club Board and the Director of Student Activities. The award winner is given a \$1,000 stipend and honored on a permanent plaque naming all award winners in the Athletic Hall of Fame.

Nominations should be sent to Chris Oskuie, chris.oskuie@gmail.com, no later than Friday, May 19, 2023.
