2023-2024 Winter Season

Dear Parent/Guardian:

Beginning with the fall 2012 sports season, WJCC has collected an Athletic Fee from all WJCC student athletes. The High School Athletic fee is \$60 per season (fall, winter, spring). Payment is due prior to the first competition for your student's sport

Now that your student has been selected for a WJCC athletic team, please complete the below form, attach cash or a check, and return the form and payment to your student's school Athletic Director. To make an online payment, visit [www.myschoolbucks.com](http://www.myschoolbucks.com) and either register or use an existing account.

This fee will be waived for students who qualify for free or reduced meals. If you qualify and have a completed application on file, you do not need to do anything. If you have not applied, but would be interested in learning more about the Free and Reduced Meal Program, information is available in the front office of each middle school and in the guidance office of each high school.

Please be advised that payment of this fee does not guarantee playing time, which remains at the sole discretion of coaches. The fee is non-refundable.

If you have questions, please do not hesitate to contact your school's athletic director.
